We tried for that wall a few years ago they were not interested 🤔

But this image is sooo much more special

The windows are not ideal for shepard

But I will show him

Lets look into it forsure!

Mock up of 3rd and Spring

And I don't think it will be built on easily for 5+ years and the Building owner owns both the lot and the building it's premium and perfect

Yes!

Love that one

And that advert mural is ready to go!

Can we confirm that one?
